Welcome to our Market!

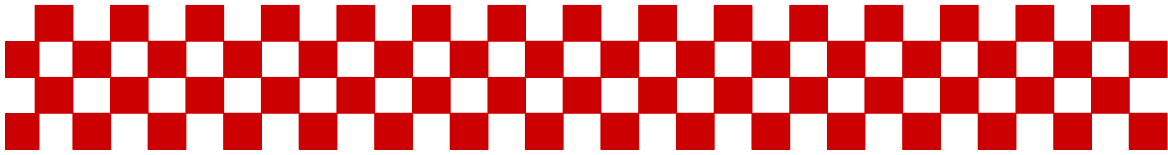

MEAT Dave & Janice

On behalf of my wife Janice & myself, welcome to our Market. Since 1981 when our doors opened in the Valencia community, we have been passionate about serving people & producing products that are of top quality. Many of our products in this brochure are homemade & come from our favorite family recipes. All of our salads are made from scratch, even down to cutting our own vegetables. Our meats and sausages are made fresh daily, as well as our smoked meat and cheese products. If you get to our market early, the fresh aroma of baked bread fills the air.

Here at Dave's Meats, we pride ourselves on treating everyone as a special customer & we have an excellent staff who genuinely cares about you. Cleanliness is one of our top priorities along with freshness of our products. We hope you consider us for catering your event; we truly do like to work & serve others.
